- 3. Concurrent enrollment is possible only in overlapping terms, e.g., semester campus to semester campus, quarter to quarter.
- 4. Evidence of completion of course prerequisites may be required at the host campus (i.e., personal transcripts or grade reports).
- 5. Financial aid is available only through the home campus and students eligible for veterans, rehabilitation, social security and other federal, state or county benefits must secure eligibility certification through the home campus.
- 6. Participation in student activities at the host campus is subject to any limitations that may exist at that campus. Similarly, student union facilities will be available according to policies at each campus.

- 8. Information concerning host campus identification card policies will be available at the time of registration.

#### Procedures

- 6. Program changes will be accomplished by following standard procedures on both campuses. Official notification will be provided by the host campus to the home campus. If a student withdraws from the home campus and requests refund for the refundable portion of the State University fee, the host campus must be notified.
- 7. Permanent academic records will be maintained at the campus where courses are completed. A record of credit earned at a host campus will be available to the student and to the home campus upon request by the student or registrar of the home campus.
