**Note:** This is based on the transfer student's last name and units earned. The transfer unit's admission specialists review Upper-Division Transfers (UDT) and Lower-Division Transfers (LDT) applications and UDT and LDT residency documents. This team reviews transfer students who have 30 or more transfer units earned. Students with 30-59 units (LDT) will require an official high school transcript review.

LDT = 30 units - 59 units      UDT = 60 units or more
