

# San Joaquin Valley Alumnae Chapter DELTA SIGMA THETA SORORITY, INC.

November 3, 2025

Dear Community Partners,

It is with great pleasure that the members of the San Joaquin Valley Alumnae Chapter of Delta Sigma Theta Sorority, Incorporated, invite you to the 33rd Anniversary of the African American High School Recognition Ceremony on **Sunday, June 7, 2026, at 3:00 p.m.** at the Save Mart Center in Fresno, CA.

Delta Sigma Theta Sorority, Incorporated, is a private, not-for-profit organization dedicated to providing assistance and support through established programs in local communities worldwide. Our members are college-educated women committed to excellence in scholarship, service, and social action.

For over 30 years, the San Joaquin Valley Alumnae Chapter has proudly hosted the African American High School Recognition Program (AARP), honoring graduating seniors who have achieved this significant milestone. This ceremony focuses on the positive and impactful accomplishments of African American and Black students as we support their future educational goals.

This year, we aim to collectively raise over \$100,000 in scholarship funds to support graduating minority seniors who have demonstrated high scholastic achievement and excelled academically, athletically, and through civic engagement. Last year, we distributed over \$91,000 in scholarships through the generous contributions of our local community partners. A list of our scholarship and sponsorship donors can be found on our website: <https://studentaffairs.fresnostate.edu/are/aahsrc.html>.

Enclosed is a sponsorship form detailing a variety of giving opportunities. We hope you will consider supporting our scholarship program and investing in the success of our youth. The deadline to submit the Sponsorship/Scholarship Form is **April 30, 2026**.

If you have any questions or comments, please contact us at [sjvaeducationaldevelopment@gmail.com](mailto:sjvaeducationaldevelopment@gmail.com). Thank you for your time, partnership, and thoughtful consideration.

Respectfully,

Dr. Lisa Mitchell and Dr. Sonja Wilson
