1. Introduction
2. Review of Submitted Fee Requests
 - a. [Earth and Environmental Sciences](#) (Dr. Mara Brady)
Outcome: All 9 committee members voted in favor of this fee increase
3. Campus Fee Advisory Committee [Website](#)
 - a. Schedule
 - b. Content
 - i. Agendas and fee requests will be published on the website
 - ii. Updated Dr. Amy Allen to “non-voting member”
4. Draft Fee Increase [Proposal](#)
5. Other Topics:

- a. Consolidated Dog Days and Graduation Fee (Dr. Bernadette Muscat)
 - i. The objective of this suggestion is to include the graduation fee as part of the new student orientation fee for undergraduate students.
 - ii. The benefit is that students will not have to worry about paying for it when they file for graduation.
 - iii. The concerns are: (1) will fees be refunded to students who do not graduate, (2) will it be an equity concern with graduation propensity
 - iv. Student committee members prefer paying the graduation fee at the time they file for graduation.
 - v. More research needs to be done in this area.
- b. [Dog Days fee](#)
 - i. The committee would like to pursue a more formal discussion about the Dog Days fee. Ken Ternate should be invited to provide more details.
