

## JANUARY 2022 NEWSLETTER

### Spring 2022 Disbursement Information

Spring aid will begin disbursing the week of January 10th.

Here are a couple of things you need to keep in mind:

- If you have any financial aid To Do items or Holds on your Student Center, these may keep your aid from being awarded and/or disbursed. Take care of them ASAP!
- Financial aid is disbursed based on the number of units you are enrolled in - waitlisted units do not count.
  - 12+ units = Full Time
  - 9-11 units = Three Quarter Time
  - 6-8 units = Half Time
  - 1-5 units = Less Than Half Time
- Financial aid is finalized based on your enrollment as of February 16th. To avoid any confusion or frustration, we recommend finalizing your schedule as early as possible.
- The Satisfactory Academic Progress (SAP) process will run after fall grades are official. Grades are due on January 3rd, and should be official a few days later. If you are not meeting our SAP policy, you will receive an email notification and a To Do Item on your Student Center for submitting an appeal. Financial aid cannot be disbursed until an appeal has been submitted and considered for approval. [Click here for more information about the SAP Policy and Appeal Process.](#)
  - If you submitted a SAP appeal in the Fall 2021 semester and it was approved, we will review your progress and ensure you are meeting the conditions of your approval before your spring aid can disburse. If you have not received an update by January 31st, please contact our office.

**Reminder:** Student Accounts' fee payment deadline is January 6th. You must pay your account balance, have a spring fee deferment, or set up a payment plan to avoid being dropped from courses for non-payment.

### FEE PAYMENT DEADLINE

Student Accounts has set the Spring 2022 Fee Payment Deadline as January 6th. Here's what you need to know:

- Student Accounts offers payment plans to help with the costs of the semester. [For more information on setting up a payment plan, click here.](#)
- Make sure you have set up your BankMobile Refund Selection if you are anticipating a refund - You can do this through your my.FresnoState account by going to Main Menu < Student Self Service < BankMobile Refund Selection

To avoid being dropped from courses, make sure your fees are paid in full, you have a payment plan set up (and you've made the first payment), or a spring fee deferment in place by January 6th.

**For more questions about the fee payment deadline, payment plans, charges, or BankMobile, contact Student Accounts.**
