HELPING FIRST YEAR STUDENTS
SUCCEED AT FRESNO STATE

WELCOME TO MENTORU!

Hi Bulldogs! My name is Kelci Goss and I am the Assistant Coordinator for New Student and Family Programs. One of the many pieces of my job is to connect you to campus and set you up for success during your time at Fresno State. I had the opportunity to connect with many of you at your virtual Dog Day! As the Fall semester approaches, **MentorU** is here to support you during your first semester. (Really, ask us anything.) You will receive e-mails from our team with campus updates and important dates along with other information! July is a month of transition so it is a great time to create your foundation before you start the school year. Check out this newsletter for more information and give us a follow on social media! **KG**
