The California State University Policies and Procedures for CSU Intrasystem Visitor Enrollment

Eligibility Requirements

Undergraduate

- 1. Student has completed at least one term at the home campus as a matriculated student and earned at least 12 units there.
- 2. Student has attained a grade point average of 2.0 in all work completed at the home campus and is in good standing at that campus.

Graduate

- 1. The student has completed at least one term at the home campus as a matriculated student
- 2. The student has been admitted to or is enrolled in an authorized graduate program at the home campus.
- 3. The student was in good standing at the last college attended.

Enrollment Conditions

- 1. Approval of visitor enrollment is valid only for the term specified and is subject to space availability and registration priority policies at host campus.
- 2. Academic advisement may be available only at the home campus.
- 3. While on visitor status, students may not be enrolled at home campus.
- 4. Evidence of completion of course prerequisites may be required at the host campus (i.e., personal transcripts or grade reports).
- 5. Financial aid is available only through the home campus and students eligible for veterans, rehabilitation, social security and other federal, state or county benefits must secure eligibility certification through the home campus.
- 6. Participation in student activities at the host campus is subject to any limitations, which may exist at that campus. Similarly, student union facilities will be available according to policies at each campus.
- 7. Parking on the host campus will be available on the basis of a term fee within campus parking availability or on a daily fee basis.
- 8. Information concerning host campus identification card policies will be available at the time of registration.

Procedures

- 1. Student completes application and submits to the Office of Admission & Records at home campus well in advance of the first day of classes at both campuses. Contact host campus for deadlines, if any.
- 2. Home campus registrar designee completes Part II and forwards that document to host campus registrar designee if approved, or returns to student, if disapproved. (The approved document may be returned to student for submission to host campus.)
- 3. Host campus registrar completes Part III-A and provides a copy to student with registration instructions.
- 4. Student registers at host campus presenting approved copy of the application. Host campus non-resident tuition fees and any user fees are paid and entry is made on the application for concurrent and/or visitor status.
- 5. Host campus completes Part III-B.
- 6. Program changes will be accomplished by following standard procedures on both campuses.
- 7. Permanent academic records will be maintained at the campus where courses are completed. A record of credit earned at a host campus will be available to the student and to the home campus upon request by the student or registrar of the home campus.
