

CREDIT FOR YOUR MILITARY COURSES AND/OR TRAINING

Please submit the necessary documentation to pursue optional academic credit.

A) Fulfill GE Area E:

Official Copy of your JST OR DD 214 Member 4 Copy to the Veterans Resource Center.

1. 3-4 units of GE Area E credit
 - a. Must have completed Basic Military Training
 - b. Unit count depends on the branch of service

2. This credit will be awarded automatically if GE Area E is not already fulfilled by other transfer coursework.

B) Optional Military Elective Credit:

Official military transcript & Request for Evaluation of Military Transcript (REMT) form to the Veterans Resource Center.

1. Download the Request for Evaluation of Military Transcript form [here](#) and submit to Fresno State's Veterans Resource Center.
2. A maximum of 30 units is allowed for military credit, and this credit will be applied as lower-division elective units.

Please note: Pursuing this option may affect your class standing and the amount of financial aid awarded. If you elect to have your military transcript reviewed for lower-division elective credit, you cannot limit the number of units awarded.

C) Credit for External Examinations:

College Board and International Baccalaureate (IB) Exam Score Reports to the Admissions & Recruitment Office.

1. Request official score reports through the [College Board website](#) or through the [IB website](#). If the military paid for your CLEP exam, the credit should be reflected on your JST and an additional College Board transcript is not required to award CLEP credit.
2. DANTES Subject Standardized Test (DANTES/DSST) credit is notated on the Joint Services Transcript (JST) and will be awarded as specified in the [Fresno State Academic Catalog](#).
3. Credit for College Level Examination Program (CLEP), Advanced Placement (AP) and International Baccalaureate (IB) is awarded as specified in the [Fresno State Academic Catalog](#).
4. Defense Language Proficiency Exam (DLPT) credit is noted on the JST or transcripts can be requested from the Official Defense Language Institute Foreign Language (DLIFLC).

All other military transfer credit can be reviewed individually. You will need to meet with one of our staff in the Veterans Resource Center and we can assist you with a request to have courses articulated for credit, subject to approval by the faculty in each respective department. Bring an official copy of your military transcript and any other documentation, such as a course outline or syllabus, to support your request.
