Drop/Withdrawal Policy Information:

Students are responsible to adhere to all University policies and deadlines. This request does not release you of any financial obligations.

First day of instruction PLUS four calendar days: Drops requested after the online period must use the Drop/Withdrawal Form and will have a grade of "W" listed on the student's transcript.

Request to drop/withdrawal from a term is for serious and compelling reasons only. **Documentation is required that substantiates the reason for the request.** The reason must be acceptable to and verified by the instructor of record and the department chair. Please have your document(s) ready to upload before continuing to the request (PDF format recommended).

The following are NOT considered serious and compelling reasons for withdrawing from a course: failure to acquire required course materials, performing poorly on course assignments, and dissatisfaction with the subject matter, class, or instructor.

When a drop/withdrawal has been approved, a "W" grade will be recorded on the student's transcript. **Undergraduate students may withdraw from no more than 18 total units throughout their undergraduate career at Fresno State.**

Workflow Complete!

Once the student submits a request, it gets automatically routed to the instructor. After the instructor completes it, requests are automatically routed to the Department Chair of the class being requested. During the summer semester, drops are only routed to the Dean of Undergraduate/Graduate Studies if the instructor and chair do not agree on a decision. The Dean's decision is final and students will be sent an email of both approved and denied requests.
