

About Us

Launched in 2008, Renaissance Scholars is a component of the Educational Opportunity Program. The purpose of the program is to provide students who have experienced foster care or unaccompanied youth with resources, support, and a nurturing educational environment that fosters growth and the ability to obtain a college degree. Renaissance Scholars have access to a wide-range of services to help meet their academic, personal, and financial needs throughout their university experience. The Renaissance Scholars Program is committed to fostering student success!

Mission

Renaissance Scholars Program is dedicated to serving students at Fresno State who have experienced foster care or unaccompanied youth by providing a supportive environment that fosters student success.
