Accessing the Faculty Portal

The instructor portal is accessed through Single Sign on (SSO), using your Fresno State credentials. The link will be located at the BOTTOM of the Faculty Notification email you receive when your student registers.

After logging in, please read the FERPA agreement and click “Continue to View Student Accommodations” to complete the initial login process.
The Faculty Portal Overview of Students and Accommodations

This page provides an overview of all students enrolled in the various courses/sections taught by the faculty, the accommodations the student requested, and if the instructor has read their faculty notification letter.

It shows the term you are currently searching and usually defaults to the current semester term. You can also view previous terms and upcoming terms.

At top right is a link to ‘Search Students’ Eligibilities’. Selecting that option will allow faculty to see a list of student’s emails that can be exported.

This screen provides an overview of the students enrolled in the faculty’s courses/sections.

The Legend provides detail for the abbreviation of approved accommodations in the table.

The View column allows you to see the accommodation letter and details on a particular student’s accommodations.

The Status column indicates if you have read the accommodation letter via the portal.
