### Student Information

### Fall 2019 FINALS SCOUT SCHEDULE REQUEST

This is not for new requests. This is only for students who currently have SCOUT ID numbers and are eligible for SCOUT services through December 20, 2019. If you have questions about this please contact the SCOUT Coordinator, Belen Vera, at 559-278-2811.

We ask that if students plan to use SCOUT services for the week of Finals, to please enter a Finals Schedule as much as possible.

### REMINDERS

On Call: Students who are utilizing SCOUT on a call in basis, need to keep in mind that the wait time, from the time the students calls to the time the driver picks you up, could be anywhere from 5 minutes to 45 minutes. Our team does our best to keep times of 15-20 minutes on average, but it depends on the day and time of day.

### PARKING LOT PICK-UP

For the following parking lot pick-ups, please use one of the suggested alternative locations, instead of the parking lot. This gives our SCOUT drivers a more specific location of your pick up. If you have questions about these locations, contact the SCOUT coordinator, Belen Vera, at 559-278-2811.

Location	Suggested Alternative Location
P20	I.T. North East (Jackson/Barstow)
P30	Old Shuttle Stop Library
P1/P2	P2 Covered- Park in the very south east corner (Woodrow/Shaw)
P5/P6	Peters (South), Science 2 (Main), or Conley Art (South)

## Fall 2019 Finals SCOUT Schedule

**ATTENTION:** Please take into consideration the time it will take for you to arrive at the pick-up location (e.g. If your final starts at 11:00 am, a pick up at 10:30 am or 10:45 am would be most realistic).

### Schedule Example:

**Day(s):** 5/13   **Time:** 10:30 AM

**Pick-up Site:** Peters (South)   **Destination:** Library

Day(s)	Time	Pick – up site	Destination
