TEACH Grant Request Form

PLEASE PRINT IN BLACK INK

The Federal TEACH Grant program provides grant funds to students who are completing coursework needed to begin a career in teaching. The student agrees to serve for at least four years as a full-time, highly qualified teacher in a high-need field in a school serving low-income students. Eligible full-time students may be eligible to receive up to $1,886 per semester in TEACH Grant funds.

If you receive a TEACH Grant but do not meet the requirements of your service obligation, all TEACH Grants you received will be converted to Direct Unsubsidized Loans. You must repay these loans in full, with interest charged from the date of each TEACH Grant disbursement. See the link below for additional details.

Priority Deadlines: In order to allow enough time to process a grant request before the end of the academic term, we have established the following deadlines:

Fall 2021 only: November 12, 2021   **Academic year/Spring 2022 only**: April 15, 2022   **Summer 2022**: June 10, 2022
