Setting Up Your myVRC Smartphone Account

1.

Download
Download the app from Apple Store or Google Play (use keyword 'myvrc'). Install and open the app.
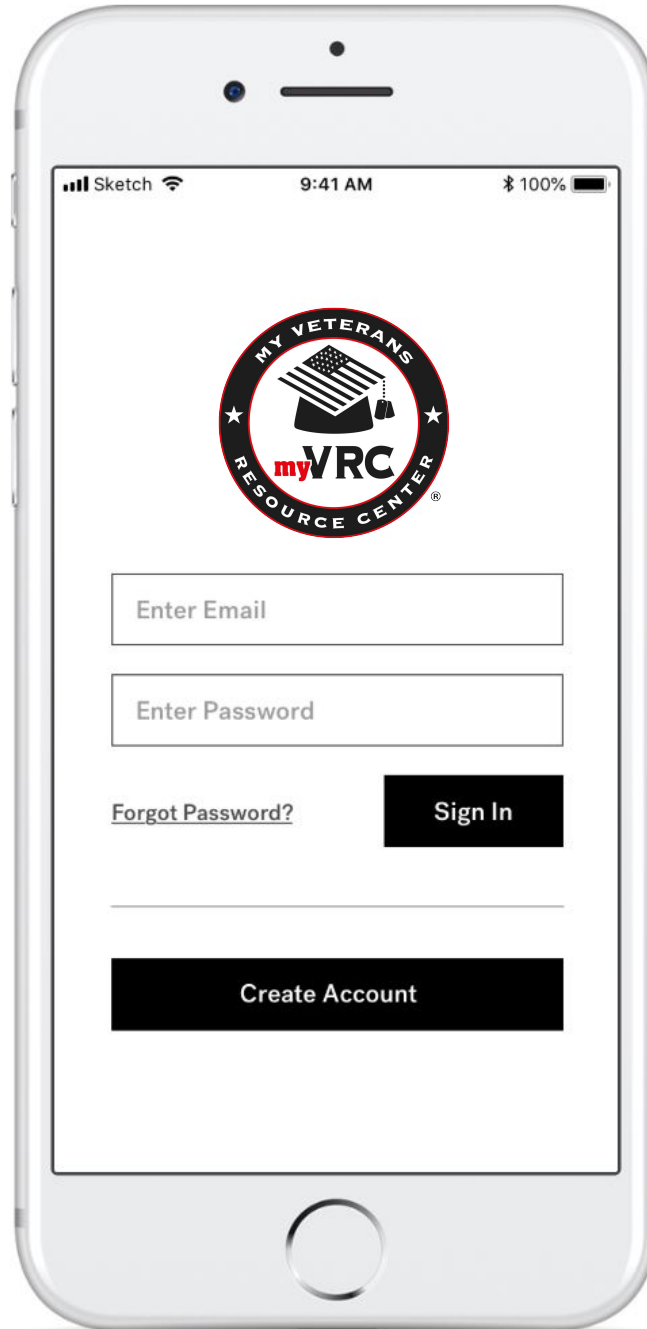

2.

Select Your College
Find your college by typing the first few letters or your college name. Select your college, then hit Continue.

3.

Email and Password
Enter your name and campus-assigned email (or the personal email you use with your college). Create and confirm your password. Note the password character requirements when creating your password.

4.

Accept Terms
You must agree to the Acceptable Use Policy and Privacy Policy. Then hit Continue.

5.

Create Profile
You can now create your own user profile, if you so choose
This step is optional.

6.

Finish
Now finish creating your account. You will be taken directly to your college instance of myVRC.

Welcome Aboard!

You're Now Ready to Start Using the myVRC Smartphone App
